

# Introduction to

PETROLEUM INDUSTRY of MALAYSIA MUTUAL AID GROUP  
Capt Chin Kon Wing  
Operations Manager

## Our Vision

To be an organisation of excellence that is committed to oil spill response & training, without compromising on safety, health & protection of the environment. We provide Safe, Efficient & Effective OSR Services & Training on a 24-7-365 basis

The image features four 3D target boards arranged in a perspective line from the foreground to the background. Each target has a white outer ring, followed by black, blue, red, and a yellow bullseye in the center. Four red arrows with silver shafts are shown hitting the bullseye of each target. The targets are set against a plain white background.

## Our Objectives

- To respond to members Tier-2 oil spill in Malaysia & the EEZ
- To provide members with oil spill response training
- To represent Malaysian oil industry in OSR matters
